We offer a one stop confidential, non judgmental service, to both men and women to maintain a healthy lifestyle, through prevention by making an informed choice. Our local Contraception and Sexual Health (CaSH) clinics offer an appointment and walk in service.

- We offer screening and treatment for all types of sexually transmitted infections (STIs) you need to attend St Ann’s CasH Clinic if you have symptoms.
- Screening for asymptomatic (having no symptoms) sexually transmitted Infections is available at all other CaSH Clinics.
- We support women to make an informed choice on contraception methods, including Long Acting Reversible Contraception (LARC).
- We provide emergency contraception and supply of condoms and lube.
- We offer two dedicated walk in clinic weekly for Young People under 25.
- Signposting under 25 people to local participating pharmacies to obtain EHC emergency contraception.
- C Card registration available to under 25, for information on local outlets visit www.comecorrect.org.uk
- Our Community HIV Clinical Nurse Specialist visits HIV patients living in the community by referral to whh-tr.infocash@nhs.net
- You can also book for an appointment by email whh-tr.infocash@nhs.net or visit www.shharingey.co.uk for ebooking
- Contact help line 0208 442 6536 if you want to book an appointment for sexual health screening and contraception procedures (implant, coil insertion or removal).
- Central booking telephone Help line is open Mon to Fri between 9.30am-4.30pm to book an appointment for any of our CaSH Service.
- We provide implant, depo and coil procedures for all ages; we only provide contraceptive pills for women under 25.
- Information on clinic opening time and about our CaSH service can be found on www.shharingey.co.uk
- We also offer Sex and relationship education to schools, colleges, community centre, you can contact us to arrange to visit your venue to talk to young people about safe sex, etc. www.whh-tr.gettested@nhs.net
- We provide training sessions to both health professionals and non-health professionals on a regular basis to network and work in collaboration with all service, to support joint shared care initiatives.
